If ever a reason to want an open road and carefree day to waste, this is it, this is your ride. In an age of plastic and speed sometimes all you want is to have is time, a traditional motorcycle that doesn't get in the way of enjoying a day in the saddle, reliability is what underpins each and every mile. efficient fuel injection married to the Dual Counter balanced engine makes every road a place where time becomes irrelevant and pleasure becomes your purpose, fitted with Leather Saddlebags, with a custom windshield & protective engine bars as standard, the deep Gloss Black finish with Chrome recalls the exploration of the highway and the ever changing horizon. Starting out or returning to 2 wheels it can be every bike you need or just the one you really want.
