THE FLAGSHIP OF THE NEW LAMBRETTA FLEX FENDER RANGE: V 200 Special

Lambretta V 200 Special scooter, designed to evoke the iconic Italian passion and embody the brand's rich heritage. Featuring an exquisite array of new stickers with the logo, this scooter's design is sharper and cooler than ever before. The Lambretta's legendary badges have been passed down through generations of Lambretta DNA, lending it a unique and timeless quality. The semi-digital display combines classic and modern design elements, seamlessly integrating analog and LCD screens. Additionally, it features a function to adjust the screen's colour to one of seven different hues, allowing for complete customization. The full LED lighting system boasts a stunning design that is inspired by the shape of Lambretta's DNA, complete with the built-in logo that is impossible to replicate. The 4-stroke, air-cooled engine boasts a displacement of 168.9 and a compression ratio of 10.2:1, while the fuel management system is EFI. The Lambretta's transmission is CVT, with an ECU ignition and E-starter. The exhaust emission characteristic is Euro 5, making it an eco-friendly choice. The Lambretta's dimensions are perfect for both urban and suburban environments, with a width of 690 mm, length of 1,900 mm, and height of 1,130 mm. The wheelbase measures 1,330 mm, and the seat height is 770 mm. The tank capacity is 6.5 L, and the chassis features a hydraulic disc brake system, with ABS included. The front tire is 110/70-12, while the rear tire is 120/70-12. The suspension features a telescope fork in the front and a single suspension system in the rear. With its exceptional design, outstanding performance, and unparalleled Italian heritage, the Lambretta is the perfect choice for anyone looking for a scooter that combines classic and modern elements in a seamless and stunning way.
