Royal Alloy GP series a real retro scooting a truly authentic retro scooter made of steel that respectfully nods towards the Lambretta designs of the past but with all the added benefits of modern technology and equipment. It does not stop there - the Royal Alloy GP300 features a reliable and proven engine, advanced anti-dive front suspension, Bosch ABS system, Digital clocks and LED lighting. The Royal Alloy range is truly unique in being the only British brand that provides a complete portfolio of 'Real' Retro' scooters with classic Italian style and looks for the modern rider. With performance and looks to rival anything else in its class expect to see the GP300 become a regular sight in local scooter clubs, meets and rallies. The new Euro 5 version also boasts a power increase over the older models and now comes with a market-leading 24.8 BHP Classic Styling inspired by the original Lambretta range - USB Charging - Twin Adjustable Rear Shocks - LED Tail Light - LED Side Light - LED Indicators - Lockable Front Glove Box - Disc Brakes Front & Rear - Single Cylinder, Liquid Cooled, 4-stroke, 4V, DOHC Engine - 12 Inch Alloy Wheels - Metal Body Work & Construction
